

ONE: GOD'S PLAN TO BRING US ALL BACK TOGETHER

The Bible is meditation literature,
and it offers its treasures up to those
who read it over and over and over.

EPHESIANS

ONE: God's plan to bring us all back together
We're a divided people:

- skin color
- language
- citizenship
- party
- ideology
- location

Divisions breed more divisions, which breed hatred and misery.

But we're actually all part of the same human family, and God did something in Jesus to bring us all back together.

This is what Paul's letter to the Ephesians is about, and this is why we're going to read, study, and savor it to kick off the new year.
