PHILIPPIANS

We're going to read Philippians through 4 times over. The Bible is meditation literature, and it offers its treasures up to those who read it over and over and over. Philippians is a beautiful, sweet little letter, written by Paul of Tarsus near the end of his life, addressed to a church he founded in the Macedonian Roman colony of Philippi some decades earlier. It's worth re-reading and memorizing, if you're up for it. Let's go!
